

Appl'n. No. 09/445,223
Amdt. dated May 14, 2004
Supplemental Reply to Office action of January 15, 2004

REMARKS

The present communication is intended to supplement applicants' main response filed May 11, 2004.

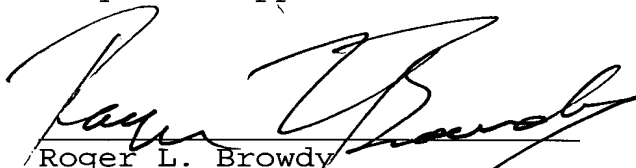

The amendment to page 18 inserts SEQ ID NOs as supported by the present specification. This amendment was originally made in a paper filed on December 6, 1999. When the substitute specification was filed on February 28, 2002, this previous amendment to the specification was inadvertently overlooked. We are taking this opportunity to correct the oversight.

The amendment to page 57 is being made to correct an obvious error.

Respectfully submitted,
